

## Quilts for Kids Correction Page

Georgie Giraffe- Section 6 on the Layout page is incorrect. (It is a repeat of section3) Here is the correct layout for that section.

Scrappy Garden – Section 4 circled should be a colored square, not background. Also note that the layout picture is slightly different than the full picture of the quilt. This error is because we wanted the quilt to fit exactly on 24 panels. (there are just five squares across on sections 6,12,18,24)
